LOCATION

Llanberis is a booming tourist village that sits at the foot of Yr Wyddfa (Snowdon) in the heart of the Snowdonia National Park which welcomes in excess of over half a million visitors per year and has many attractions including the Snowdon Mountain Railway, the National Slate Museum and the starting point of Llanberis Path to Yr Wyddfa (Snowdon). This stunning location offers various activities including mountaineering, climbing, mountain biking, watersports as well as regular weekly running events held throughout the year. Llanberis can be reached from the A5 or the A55 and is easily accessible to many beaches or other attractions throughout North Wales.

This substantial freehold property includes a two-storey restaurant area with a single storey extension to the side, and a two-storey, three bedroom house with ground floor commercial unit. The building appears to be of local stone construction with pitched and flat roofs. It briefly comprises:

THE BUSINESS

Our clients have operated Peak Restaurant since 2002 and it has become an established business that enjoys much repeat trade and has an excellent reputation. It is hugely popular with tourists visiting the area. Our clients currently operate Peak Restaurant as a lifestyle business which leaves huge potential for increased sales. A new operator might choose to introduce both breakfast and lunchtime menus as well as a takeaway service. They could also earn additional income by letting the vacant ground floor retail unit and offering the three bedroom house on the short term holiday market, subject to Local Authority permission.

Full trading accounts can be made available following any viewing.
